Knowledge Alliance: Our Experience So Far *Glasgow Caledonian University*

Info Day E+ Projects, *Abdullah Gül University,*
Kayseri

30th October 2017

University for the Common Good

Agenda

- **Our Experience**
- **Case Study**
- **Suggestions**
- **Questions**

1 – Our Experience

- **Highly Competitive**

Knowledge Alliance is highly competitive, this year only 19 were awarded across Programme countries

- **Our Strength**

We focused on the Social Innovation topic

- **Impact**

We focused on impact and sustainability (*foster innovation in HE, business and the broader socio-economic environment*)

2 – Case Study

- **Current Project Overview**

SIKE – Social Innovation Through Knowledge Exchange will demonstrate the potential of universities to use their knowledge in order to affect social change in a direct and meaningful way. It will do this by developing new paradigms and tools for knowledge exchange practice that embrace social innovation, encourage social entrepreneurship and offer more effective support to local communities.

2 –Case Study – Partners

- Glasgow Caledonian University – UK
- The Melting Pot – UK
- Social Innovation Exchange – UK
- University of Aveiro – Portugal
- Santa Casa da Misericordia de Lisboa – Portugal
- University of Dortmund – Germany
- Duisburg Social Innovation Lab – Germany
- University of Deusto – Spain
- Business Innovation Brokers – Spain
- University of Applied Sciences, VERN – Croatia
-  Glasgow Caledonian University Social Innovation Lab, Zagreb – Croatia

Suggestions

- **Identify your strength**
- **Identify complementary partners**
- **Start early**
- **Careful with requirements, they are a bit different (travel)**

Thank you for your attention
