LEONARDO DA VINCI

Turkish National Agency

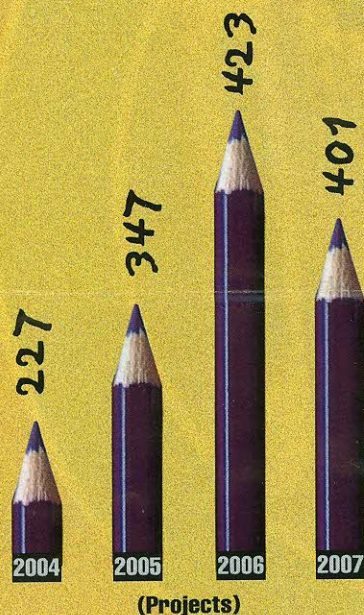

The Centre for the EU Education and Youth Programmes (Turkish National Agency) has been implementing the EU Education and Youth Programmes in Turkey since 2003. Being responsible for executing the Lifelong Learning and Youth Programmes, it helps developing the intercultural dialogue, strengthening the intercultural cooperation, fighting against xenophobia. So far, more than 3000 projects have been implemented and almost 40.000 individuals have already benefited from the EU Education and Youth Programmes throughout Turkey.

Leonardo da Vinci Mobility programme activity supports transnational mobility through organised activities. The beneficiaries are individuals having initial vocational training (IVT), young workers and graduates (PLM) and trainers and decision makers in the area of vocational education and training (VETPRO).
