in the **education, training,**
fields of **youth and sports,**
the **Erasmus+ Programme**
aims at providing the people
with new skills, strengthening their personal development,
and increasing opportunities for employment.

If you are young;

Erasmus+ provides a wide range of opportunities for young people to expand their horizons by acquiring new skills through volunteering and youth exchanges in Turkey.

The European Voluntary Service (EVS) activity allows young people aged between 17-30 to express their personal commitment through full-time voluntary services for up to 12 months in Turkey. **Over 250 EVS accredited organisations** across **Turkey** are waiting for you to offer various volunteering projects.

Youth Exchanges allow groups of young people from at least two different countries to live together to carry out their pre-planned work programme for up to 21 days in **Turkey**.
