UNIQUE EXPERIENCE

ERASMUS+ HIGHER EDUCATION OPPORTUNITIES in **TURKEY**

Erasmus+

Universities in Turkey have a wide range of study programmes and research possibilities that enable students to gain more experience (on site visits, laboratories, equipments etc...)

"I had great courses in Turkey and learned a lot"

Nora
Austria

"I have chosen Turkey because I have heard that the medical system in Turkey is very good. I also want to know more about the Turkish culture..."

Mirela Patricia
Romania

There are more than 170 higher education institutions holding ECHE (Erasmus Charter for Higher Education) in Turkey and thus eligible for Erasmus+ higher education mobilities

Marten / **Germany**

"Just come, see and gain some experience by living in Turkey"

Marian / **Czechia**

"Campus life is very colorful and I joined sportive activities. Also I learned a lot about Turkish culture. Artistic life is also very inspiring"

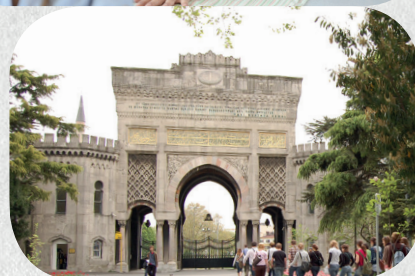

"Quality of education is very high, and you can learn a lot about your field of profession."

Agata & Elmira
Poland

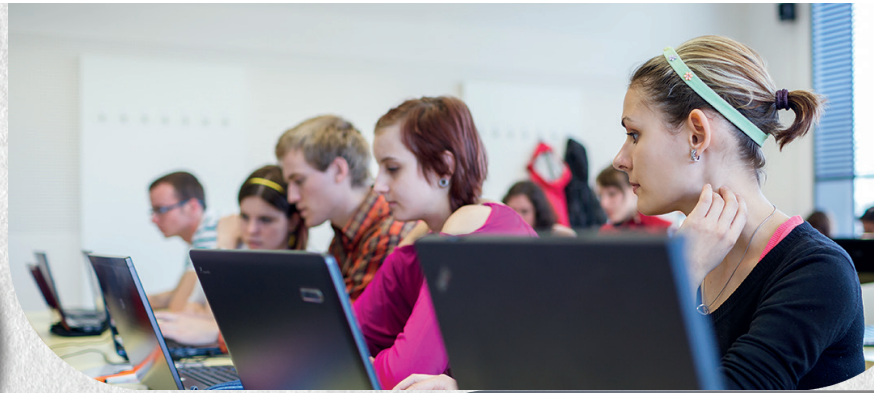

Anna / **Latvia**

"I would recommend everyone to just visit Turkey. It is much better than you expect. People are very helpful."

Turkey's geographical position acts as a natural bridge between Asia and Europe

Turkey is one of the leading countries in many fields like machinery, spare parts, construction, agriculture and textile

Turkey has been home to cultural and historical richness for thousands of years

There are thematic universities in many fields like maritime, aviation, medicine and fine arts

Turkey's climate give various opportunities for sportive activities and tourism
